The New Year's Day Shoot will be a 50 shot standing match at 200 yards with the Prone position as an option. Registration will begin at 0800hrs. The cost is \$20, juniors shoot for free. Bring any rifle, hunting, service or match. There will be a lunch break after the first 25 shots. If the weather is an issue, we'll made a decision to continue or not. We have operational pits, and hope to offer electronic targets but be prepared to do your part. Use your phone, laptop or a tablet to view your shots. Dress warm. All proceeds benefit the Junior Rifle Team. A warm lunch will be available for a donation. Start the year with a BANG. The optional Prone position can be fired unsupported, sandbag or bipod.
